Subject: Notice of Project Completion with Initial Production Inspection

Dear M Vandermoortere:

Congratulations! UL's investigation of your product(s) has been completed under the above Reference Numbers and the product was determined to comply with the applicable requirements. The Test Report and records in the Follow-Up Services Procedure covering the product are completed and are now being prepared (if you do not have a separate CB Report, you can to access the Test Report now). **Please have the appropriate person in your company that is responsible for receiving/managing UL reports access an electronic copy of the Test Report and FUS Procedure through the CDA feature on MyHome@UL, or if you desire another method of receiving the report please contact one of the contacts below.**

PLEASE NOTE: YOU ARE NOT AUTHORIZED TO SHIP ANY PRODUCTS BEARING ANY UL MARKS UNTIL THE INITIAL PRODUCTION INSPECTION HAS BEEN SUCCESSFULLY CONDUCTED BY THE UL FIELD REPRESENTATIVE.

An Initial Production Inspection (IPI) is an inspection that must be conducted prior to the first shipment of products bearing the UL Mark. This is to ensure that products being manufactured are in accordance with UL LLC's requirements including the Follow-Up Service Procedure. After the UL Representative has verified compliance of your product(s) at the manufacturing locations listed below, authorization will be granted for shipment of product(s) bearing the appropriate UL Marks as denoted in the Procedure (located in the FUS Documentation of the report).

List of all manufacturing locations (please contact us if any are missing):

Manufacturing Facility(ies): Same as Applicant

Contact Name: Samuel Vanremoortere
Contact Phone No.: +33(0)4 76 41 44 67
Contact Email: s.vanremoortere@jay-electronique.com

It is the responsibility of JAY ELECTRONIC SAS, the Applicant, to inform its manufacturers of that the IPI must be successfully completed before product may be shipped with the UL Mark. Instructions for the IPI will be sent to our inspection center nearest to each of your manufacturing locations. The contact information of the inspection center is provided above. Please contact the inspection center to schedule the IPI and ask any questions you may have regarding the IPI.

Inspections at your production facility will be conducted under the supervision of:

Information on the UL Marks, including our new Enhanced UL Certification Marks can be found on the UL website at <https://markshub.ul.com>

Within Canada, there are federal and local statutes and regulations, such as the Consumer Packaging and Labeling Act, requiring the use of bilingual product markings on products intended for the Canadian market. It is the responsibility of the manufacturer (or distributor) to comply with this law. The UL Follow-Up Service Procedures will only include the English versions of the markings

Any information and documentation provided to you involving UL Mark services are provided on behalf of UL LLC (UL) or any authorized licensee of UL.

Feel free to contact me or any of our Customer Service representatives if you have any questions.

UL is strongly committed to providing you with the finest customer experience possible. You may receive an email from ULsurvey@walkerinfo.com inviting you to please participate in a brief satisfaction survey. Please check your spam or junk folder to ensure receipt of the email. The subject line of the email is "UL Customer Experience Survey." Please direct any questions about the survey to ULsurvey@walkerinfo.com. Thank you in advance for your participation.

Very truly yours,
