

Product Description:

LAFA-W, this kind of wall lamp is aesthetic and simple designed with only 25mm height of fixture. Providing a glare-free, soft light and shadow-free, it creates a pleasant atmosphere suitable for modern lighting applications such as offices, retail stores, shopping centers, corridors, hotels, and so on. Offering flexible solutions with CCT DIP switch, on/off, 1-10V and Dali dimming are available.

Product Features:

- Ultra thin heightness, only 25 mm
- PMMA LGP and microprism diffuser for direct light, PC cover for indirect light. No yellowing risk
- CCT DIP switch, on/off, 1-10V and Dali dimming are available
- Very harmonious and uniform lighting effects
- No annoying background noise and no flickering
- Suitable for public places (UGR <19)
- Long lifespan, operating time 50,000hours

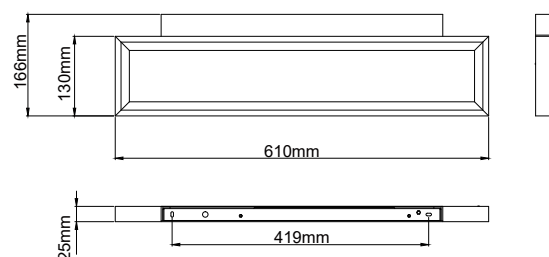

Product Application:

- Modern lighting applications such as offices, retail stores, shopping centers, corridors, hotels, and so on.

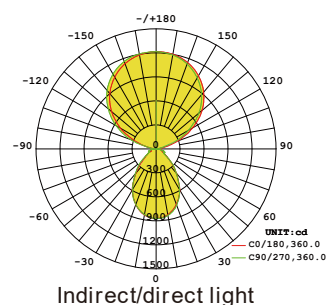

Product Parameters:

Model	LFSW-6004020-ND	LFSW-6004020-VD	LFSW-6004020-DD
Dimming	ON/OFF	1-10V Dimming	DALI Dimming
Input Power	40W (20W↑/20W↓)		
Input Voltage	AC200~240V		
Power Factor	≥0.9		
Efficiency	120lm/w		
Luminous Flux	4800lm(3300lm↑/1500lm↓)		
UGR	<19		
CRI	≥80		
Beam Angle	110°↑/90°↓		
LED	SMD2835		
CCT	3000K/4000K		
SDCM	≤3		
Installation	Wall mounted		
Material	Housing: Aluminum		
Finish Color	Matt White(RAL9016)/Matt Black(RAL9005)		
IP Protection	IP20		
IK Protection	IK02		
Certificate	CE,ROHS		
Life Time	L80≥50,000hrs @ Ta=25°C		
Warranty	5 Years
