Measurement Solutions!

Key Features

A durable and practical tool for surveying and mapping. With IP68 industrial-grade waterproofing, dustproofing, and shockproofing. Its 5.5-inch FHD display, 800 Nits screen brightness, and 9000mAh battery provide clear visuals and up to 20 hours of continuous operation. Experience the power to conquer any terrain with precision and efficiency.

GINTEC

Specifications

System	
OS	Android14
Platform	MT8788
	4*Cortex - A78
	4*Cortex - A55
	ARM Mali - G68 MP4 GPU
Support 3200MT/s LPDDR4	
System Memory	4GB LPDDR4+64GB
GNSS	
GNSS	GPS,GLONASS,GALILEO,BDS single positioning, no raw data output
Display Screen	
Screen Resolution	5.5-inch FHD 1920*1080
Visible in Sun Light	Supported
Brightness	800nits
Screen Protection	1.1mm Corning Gen 3 Cover Glass
Glove Mode	Supported
Rain-Proof	Supported
Fingerprint-Proof	Supported
Communication	
Bluetooth	BT2.1+EDR/3.0/4.1LE/4.2/ 5.0 BLE
WIFI	802.11 a/b/g/n/ac
Network	Global Support: GSM: 850/900/1800/1900 WCDMA:B1/B2/B4/B5/B8 LTE-TDD:B38/B39/B40/B41 LTE-FDD: B1/B2/B3/B4/B5/B7/B8/B12/ B13/B17/B20/B28
NFC	Supported
Physical	
L*W*H	225*86*22.5mm
Weight	440g

Function	
SIM Card	Single Nano SIM
OTG	Supported
External Memory	MicroSD expansion up to 512GB
Charge Interface	Type C
Data Interface	Type C
Keyboard	27 Keys Alphanumeric key+ functional key LED light-transmitting (main keyboard keys with backlight)
Power	
Battery	9000mAh
Work Time	Up to 20h
Charge Protocol	18W PD2.0 5V/3A 9V/2A
Charger	Multiple protocols supported Max 45W
Sensor	
Camera	13 Megapixels with AF
Flashlight	Supported
Speaker	100db Speaker
Gravity Sensor	Supported
Ambient Light Sensor	Supported
Proximity sensor	Supported
Compass	Supported
Gyroscope	Supported
Indicator Light	Supported
Environment	
Operating Temperature	-30°C ~ +60°C
Storage Temperature	-40°C ~ +80°C
Water/Dust Proof	IP68
Humidity	5%-95% (Non - Condensing)
Drop Test	1.5m Drop
